Commissioner for Patents

Dear Sir:

In the Office Action mailed January 17, 2006, the claims were subjected to a requirement to "choose which 2 of the roman numerals in the claim 26 are readable on the elected sub-species."

In a phone conversation on February 7, 2006, Examiner Collins agreed that withdrawing claim 26 from consideration would be fully responsive to the outstanding Office Action. Thus, further to Applicant's suggestion in his most recent communication that Examiner Collins withdraw claim 26 from consideration, **Applicant withdraws claim 26 from consideration.**

Applicant respectfully requests entrance of the present amendment, in which claim 26 is withdrawn from consideration.

Amendments to the Claims are reflected in the listing of claims beginning on page 2 of this document.

Remarks begin on page 9 of this document.
